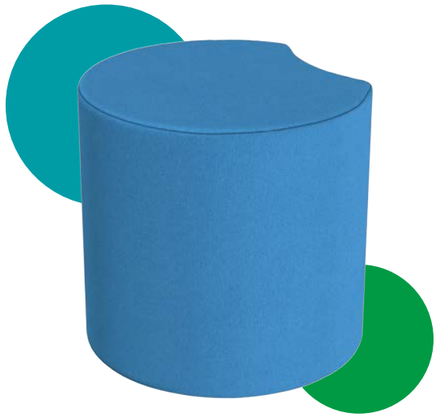
LEARNING HALLWAY



Crescent

The scooped-out front of our Crescent shape gives it two lives. Use as a stool and the scoop accommodates legs. Put 5 around a Round to make a fun flower shape. Available in 14" and 18" heights.

Horseshoe

Horseshoe is a versatile, large top that can be used alone or combined to create dynamic learning environments. 60" x 66" top. Available with adjustable post legs in juvenile (13"-18"), table height (19"-29") or standing height (27"-42") and fixed-height legs (25", 27" and 29") with a variety of painted finishes. Add glides or casters for easy mobility.

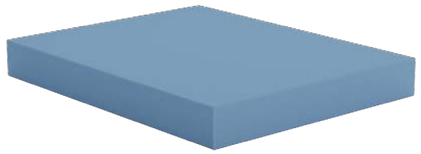
SOFT SEATING



Mobile Cubbie Pads

Rectangular seat pads are sized to fit on top of Mobile Cubbies or right on the floor (or staircase) when you need an extra seat. The bottom features our "gripper" vinyl that's easy to clean and provides a little extra grab on the floor.

Round

Artcobell Soft Seating brings comfort and movement to learning spaces. Our Round Rocker variation on the classic Round has the same rocker bottom as our popular MOV stool. It's stable, movable, and FUN! Available in 14" and 18" heights.

Barrel

Barrel and Barrel Slant are versatile, high-density foam cylinder shapes with one flat side. Use seated or on the floor as a rolling lounge. Barrel Slant features a 10-degree slant on both ends. Available in 12", 14", 16" and 18" heights.

Incorporate lounge seating into your learning environments.

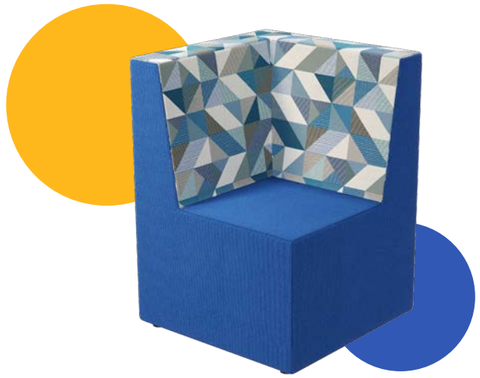
DISCOVER THE PRODUCTS:

LINEAR LOUNGE



Corner Lounge

The Corner Linear Lounge is your building block for creating dynamic, student-centered spaces. This piece mixes and matches seamlessly with Ottomans and Work Surfaces from the Nested Lounge Seating Collection. Design cozy nooks for focused work or open zones for small group collaboration—the possibilities are as flexible as your learners.

Linear Lounge

Configurable seating options from 24" - 60" wide can be mixed and matched to create learning zones. Combine with Ottomans or Work Surface pieces from the Nested Lounge Seating Collection to create collaborative spaces for small groups or nooks for individual work.

Wedge Ottoman

Matching Ottomans in Square, Wedge + Round help connect the pieces in corners or create interesting shapes. Add a laminate-clad work surface to any ottoman.

SEATING

NXT MOV™ Four Leg Stool

The NXT MOV Four Leg Stool offers a completely new option for cafeterias and taller workspaces. The ground-breaking, patented design provides best-in-class comfort and style. The 2-part shell design enables the seat back to move independently from seat, allowing the body to move in many ways. Poly shell available in 24” and 30” seat heights. Choose a single color for the seat and back, or mix and match.

Alphabet® Four-leg Stool

The refined design of Alphabet Seating supports the many ways that students move with best-in-class strength and durability. The Alphabet Four Leg Stool offers a smart option for cafeterias and stand-up work spaces. Dual support channels and heavy duty seat brackets provide strength and durability. Available in 24" and 30" fixed seat heights.

Discover Four-Leg Swivel Stool

Discover Seating moves students into their work. The Discover Swivel Stool offers support and stability in a variety of settings: cafeterias, libraries, labs, and maker spaces. The built-in foot ring provides added stability. It is adjustable to a 25"–33" height range. Standard and A+ shell sizes are available.

MOVEMENT SEATING

Rocking Chairs

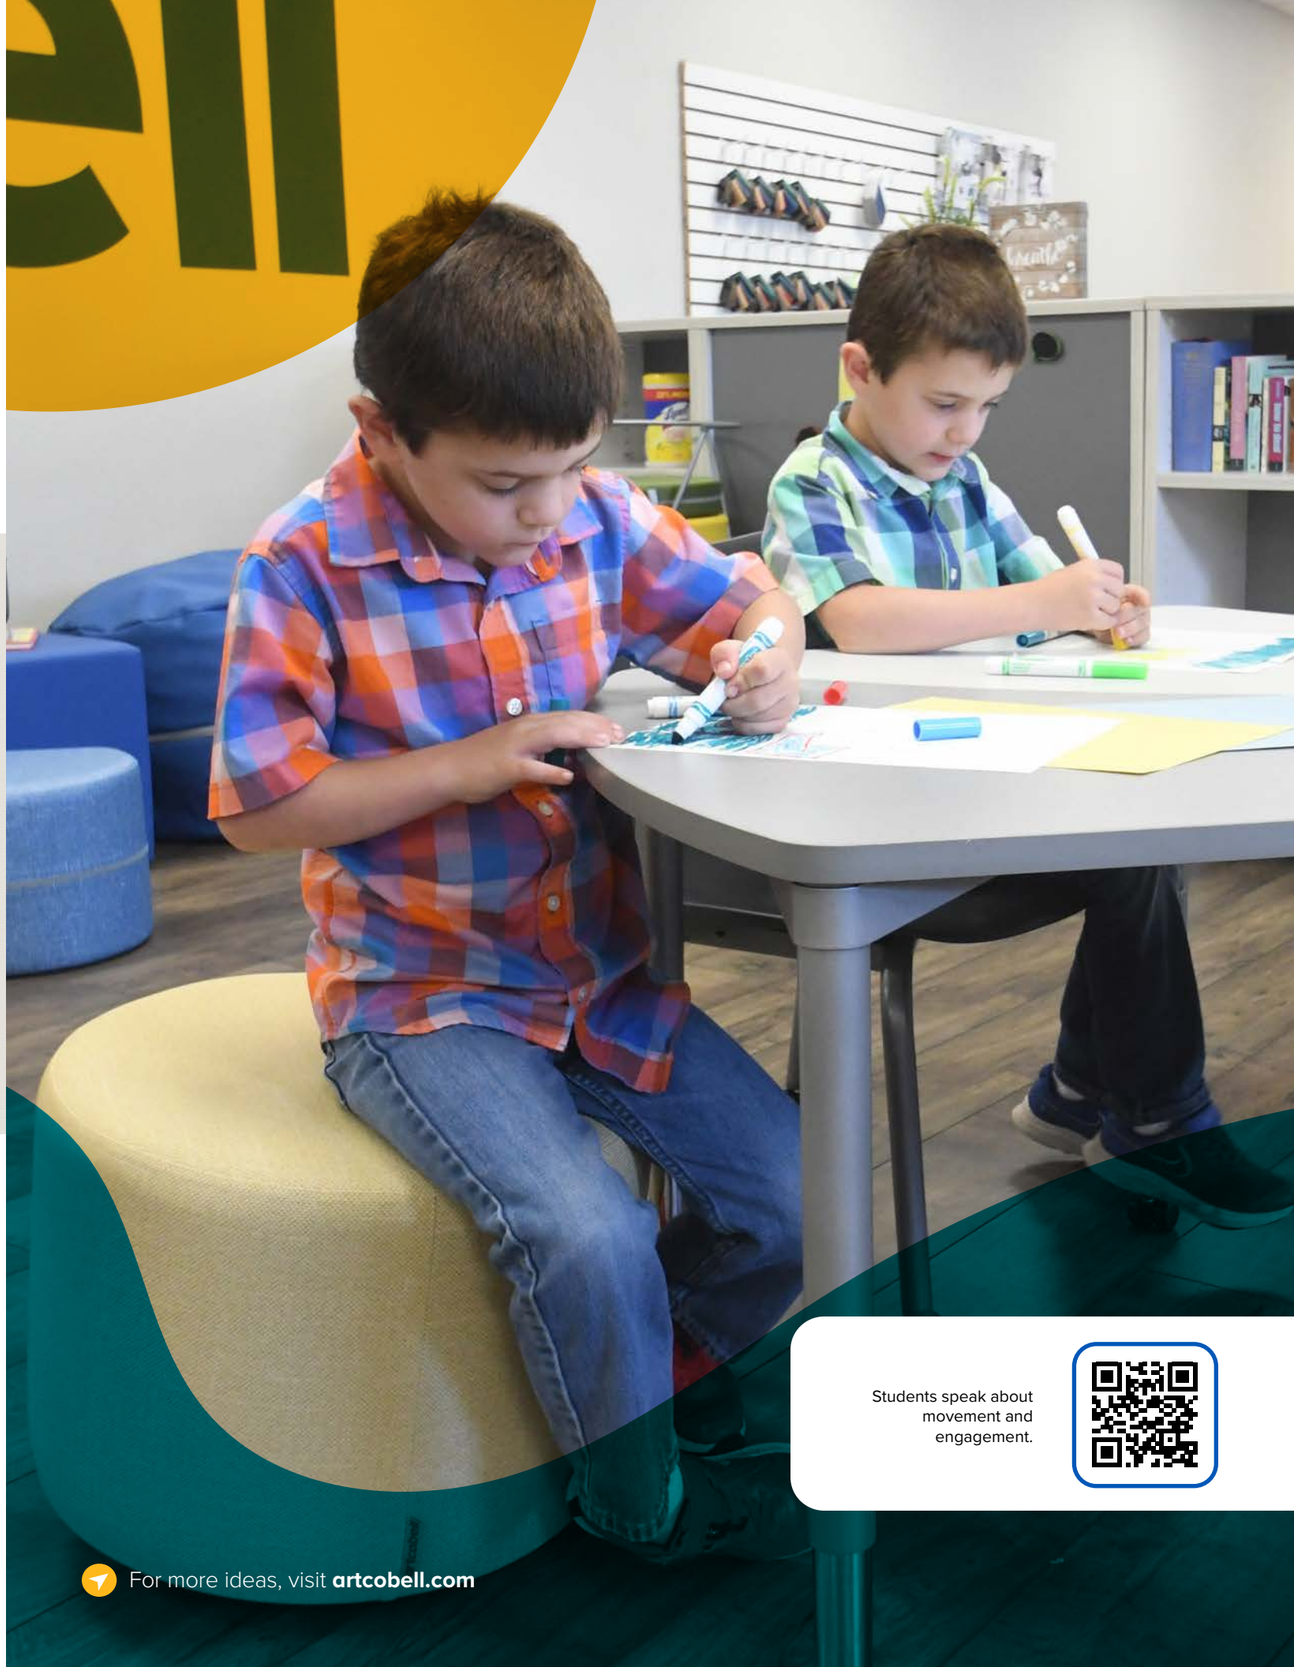
Alphabet + Discover Rockers provide movers of all sizes with the most satisfying sit-around, allowing them to relax or burn off a little energy.

Round Rocker

Artcobell Soft Seating brings comfort and movement to learning spaces. Our Round Rocker variation on the classic Round has the same rocker bottom as our popular MOV stool. It's stable, movable, and FUN! Available in 14" and 18" heights.

MOV Stools

MOV is an active stool that promotes user movement and activity. Students love to move, and MOV supports that natural urge in a fun and productive way. The attractive and simple design with a wider footprint makes MOV extremely stable, safe, and fun to use.



Students speak about movement and engagement.

Curved Mobile Shelves

Single-Faced Radius Cabinets feature adjustable shelves on one side and metal back, available in various paint finishes. They come standard with heavy-duty magnets on the outer sides for docking and matching edge bands. They work together with the Single-Faced Linear Cabinet and are available in 42" and 48" heights.

Mobile Shelves

Artcobell Mobile Storage Stations help keep your classroom neat and organized. Single-Faced Linear Cabinets feature adjustable shelves on one side with a metal back—available in a variety of paint finishes. They come standard with heavy-duty magnets on the outer sides for docking and matching edge bands. Available in 42" and 48" heights.

Mobile Cubbies

Open-face, flexible storage for classrooms, media centers, and learning hallways. Standard with one adjustable shelf. Additional shelves and pads are available in lots of fun textiles.

Rectangle Bench

The Rectangle Bench is a simple shape with a multitude of uses. It is available in two lengths—42" and 48"—and two heights—14" and 18". Benches work with all the Arcs; the 42" length nests up to our Mobile Shelving to create a reading nook.

Curved Bench

The Curved Bench is designed to nest next to our Radiused Mobile Shelving to create a perfect space for reading quietly or just hanging out. It can also be used with our Rectangle Bench. It is available in 14" and 18" heights.

Shape Benches

This innovative shape features the same parallel curve as our popular Expanse and Nebula Shape Tables. The intelligent curve also comfortably nests to Nebula, Gravity, Expanse, and Nova Shape Tables. It is available in 14" and 18" heights.

2-Step

The 2-Step is ideal for lounging or listening. Use it individually or put several together to create mini-stadium seating for a group. It has the same footprint as the 3-Step and can be used with the 38" Ottoman.

Arcs

The Arcs collection features four configurable pieces that can be used to build all kinds of shapes, from circles to snakes. It can be combined with Round, Square, and Rectangle benches. It is available in 14" and 18" heights.
