

A modern dining table with a dark wood top and a metal frame base. Two white chairs are tucked under the table. A laptop and a cup are on the table. The background is a wall with vertical wooden slats.

ENWORK

# Signatures & Standouts

Issue 03

# Wildly Functional, Always Beautiful.

At Enwork, we know that it's about more than just furniture. Our focus is on developing solutions that create inspiring and productive spaces. We push the limits of design and engineering. We thrive on innovation and doing things differently. That's why we've built a culture centered around forward thinking.

We anticipate needs, identify trends, and stay steps ahead of the curve. With rapid development and adaptive processes, we're always exploring and learning so our clients can optimize their spaces. That's why they come to Enwork. Because we know better than anyone how powerful a great idea can be.

Affinity™ Private Office

## Private Office

## Affinity™

Minimal in design, extensive in scope

Affinity fits any office perfectly, offering modular layouts, practical storage options, and elegant linear accents in a wide variety of finishes.

## Cayman

Exceptional solutions, down to the last detail

Cayman redefines private office wall systems through its adaptive design, ensuring a personalized fit for your workspace and offering versatility that prioritizes your needs.

Specifiable by the inch and engineered for quick installation, this best-in-class product features cantilevered worksurfaces and space-optimizing corners that create a fluid, high-capacity work environment.

## Ligouri

Blending natural materials with modernist design

Wraparound Frame

Ligouri Private Office stands apart with its distinctive levitating worksurface and sophisticated materials palette. Solid wood and precision aluminum connections offer a fresh take on executive furniture.

## Conference

## Camber

Sophisticated yet simple design

Pairing crisp, clean lines with subtle curves, Camber achieves a look that feels modern for today yet remains anchored in timeless style.

## VOU

The answer to V-, O-, and U-shaped conferencing

Create a solution that fits your space with a broad series of V-, O-, and U-shaped tables specifically designed for in-person and virtual conferencing.

## Foundation™ Tapered Drum

Defined by its bold, architectural silhouette

With a unique design and a comprehensive size offering, Foundation Tapered Drum allows for endless configuration possibilities.

## Foundation™ Height-Adjustable Tapered Drum

Combining sculptural beauty with user-controlled height

## Foundation™ Drum

A modern take on a classic design

Now available in White Oak Tambour, Foundation Drum features 11 new finish options designed to elevate any space.

## Ligouri

Where stunning silhouettes meets fine design

Featuring solid wood legs and the flexibility of a floating top or frameless base, Ligouri effortlessly adapts from casual to elevated spaces.

## Adventure™

Inspiring conversations in any space

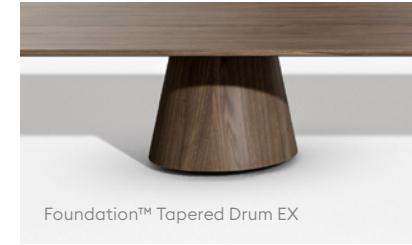

Mixed materials and adventuresome design touches inspire conversations in any space. Architectural elements such as bent and welded metal components, structural turnbuckles, and exposed ply supports create an unforgettable adventure.

## Expanse

Tables built for big ideas

A feat of structural engineering, this table achieves spans up to 36 feet on just two bases. This design provides expansive, unobstructed collaboration space for large teams, while a wide selection of base styles ensures a consistent aesthetic across the entire floor plan.

## Odyssey

Innovative forms inspired by ancient architecture

Molded fiberglass gracefully shifts from a square underside to a sleek rectangular profile. Tops reach up to eight feet on a single base or 36 feet on two bases.

## Equilibrium™

The perfect balance of form and function

An innovative, single-base design that maximizes legroom for a clean, open aesthetic.

Zori® Flip Tables

# Training

## Zori® Lecture Hall

Taking education to the next level

## Zori® Monitor Lift

A jumpstarter for active spaces

Outfitting campuses and corporate facilities with innovative solutions, the Zori Collection offers 35+ product types – conference and training tables, lecterns, auditorium capabilities, and much more all designed to support technology-enabled learning.

## Quantum

Innovative solutions, exceptional value

A quantum leap in flip-top table innovation, featuring auto-locking casters, dense-in line nesting at just 5.75", accessible bag hooks, and a wide single-handed flip mechanism.

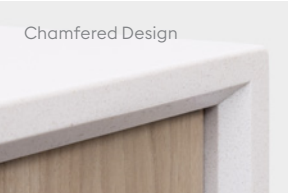

Terra Planter & Tangent Side Table

## Ancillary

Cortina

For users on the move

Cortina's compact yet purposeful design fits naturally into lobbies, waiting areas, and other high-use spaces, blending practicality with modern style to support productivity on the go.

## Oh Hey!

Dressed for the occasion

A variety of playful shapes and material options, complete with customizable accents and power accessories to suit any interior aesthetic.

## Terra Planters

Breathe life into your workspace

Terra Planters merge wellness with utility, utilizing biophilic design to create intentional visual interest. These units function as flexible, living partitions that improve the office environment while defining collaborative zones.

Luna Credenza

## Storage & Casegoods

## Affinity™ Reception

A design that welcomes and inspires

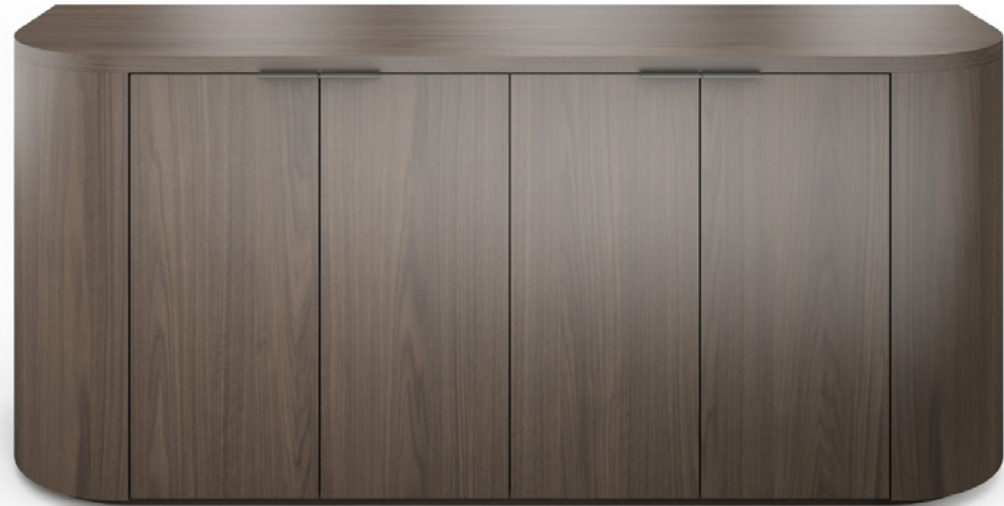

Affinity Reception combines a minimalist aesthetic with high-impact details like quartz transaction surfaces and ADA-compliant layouts. Accent the design with optional aluminum trim for a refined, modern greeting.

## Luna Credenza

Designed to be as inviting as it is functional

Soft 10" radius corners and intentional materials create a premier storage statement for executive boardrooms. Incorporate integrated accent lighting to marry effortless style with enhanced functionality.

Foundation™ Monitor Lift Credenza

Technology that blends in

Foundation Monitor Lift balances technology and design. A concealed display and organized storage keep environments clean and ready for collaboration – ensuring every space is both thoughtful and capable.

Expanse Credenza

Excellence in design and engineering

Expanse credenzas complement Expanse conference tables with the same sleek and modern design language, supporting widths up to an impressive 10 feet on just two bases.

## Lockers

Secure personal storage, perfect for an evolving work environment

Whether it's a shared workspace with unassigned seating or simply a smaller floor plan, Lockers offer flexibility in an ever-changing workspace.

Jet Collection

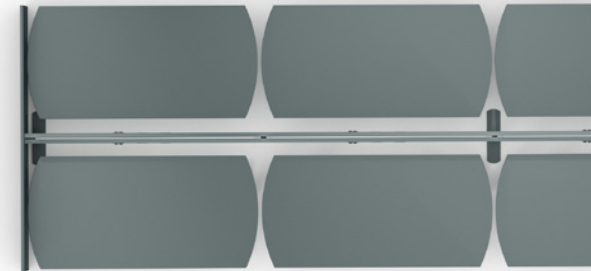

## Open Plan

## Jet Collection

Open-plan, reimagined

Jet brings clean, curvilinear design to open-plan environments – softening long runs and creating more cohesive spaces. Power beams with integrated wire routing, height-adjustable desks, and companion storage form a unified system that leads the category in flexibility and performance.

## Jet Collection

Open-plan, reimagined

The Jet Collection's signature curvilinear aesthetic extends to its height-adjustable bases. Combining ANSI/BIFMA-range adjustment and integrated anti-collision sensors, Jet delivers industry-leading performance with beautiful design.

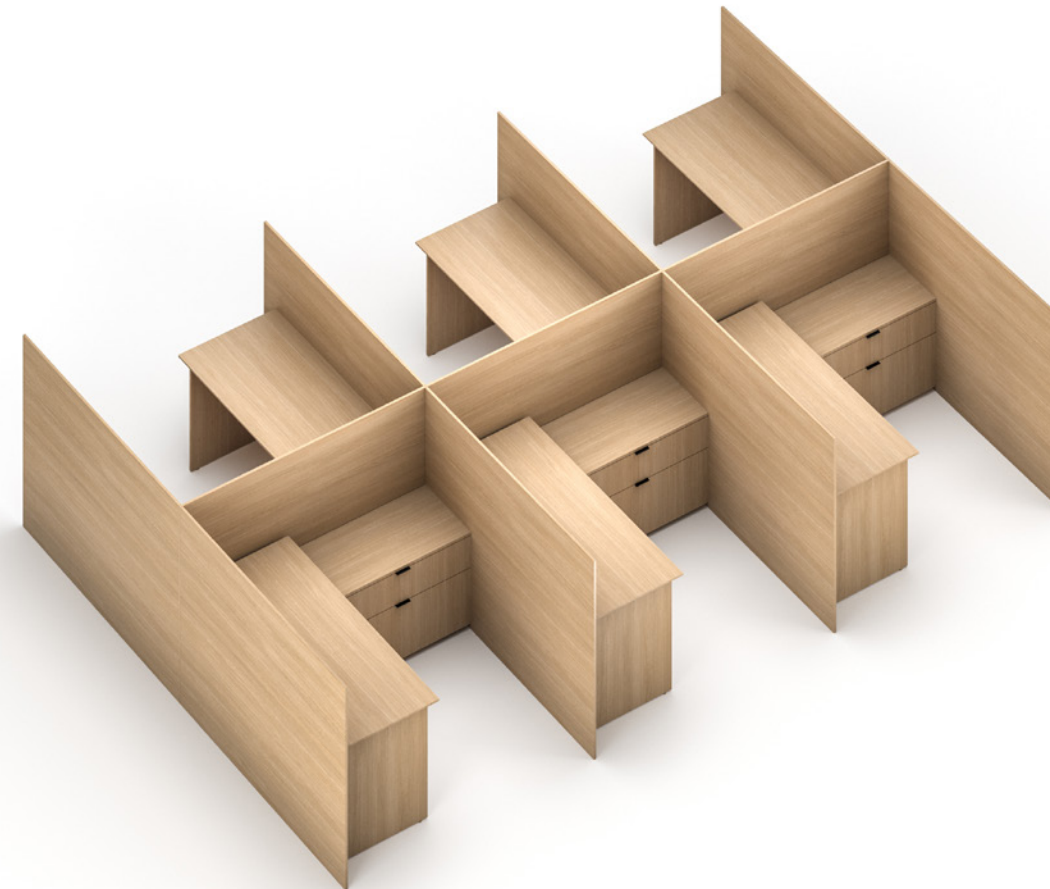

## Affinity™ Gallery

Elevated spacial design

Gallery Panels and thoughtful wire-management accessories blend with Affinity storage and desking to create productive, welcoming open-plan arrangements.
