Accelerator Sit-Stand Desk

The Alumni Accelerator Sit-Stand Desk offers unparalleled versatility for both teachers and students in the classroom. When paired with any of Alumni's Teacher Desks, it enables educators to expand their workspace for temporary student use or function independently as a mobile teaching station, facilitating dynamic and interactive learning experiences throughout the classroom.

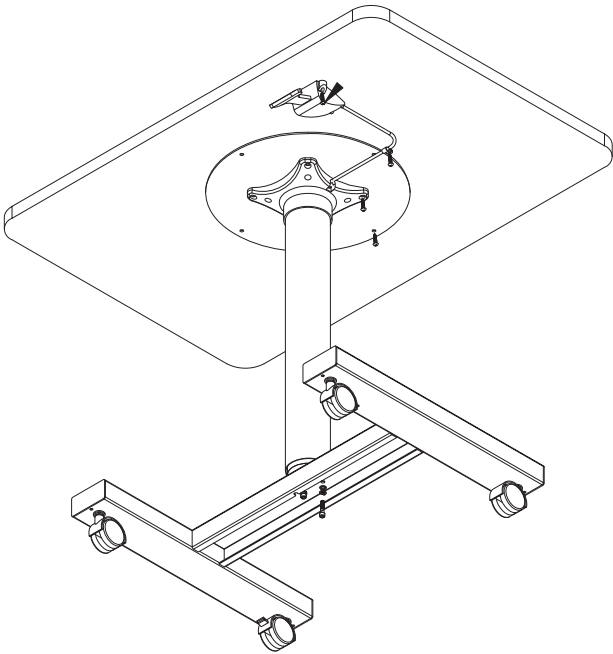

The pneumatic stem gives the desktop a height range of 29"-42".

22"x28" Rectangle

A range of top sizes available to meet all classroom needs:
20" x 26", 22" x 28", 24" x 30", 30" x 30", 30" Crescent, and 36" Crescent.

Nesting Flip Sit-Stand Desk

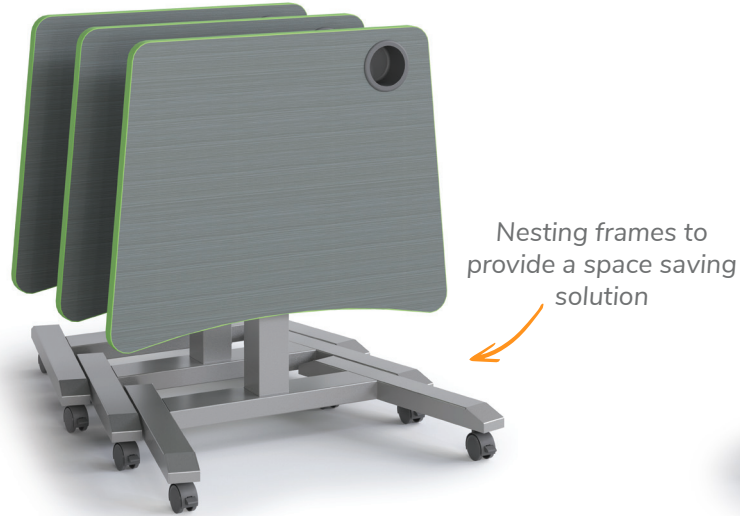

The Alumni Nesting Flip Sit-Stand Desk allows users to transition from sitting to standing with ease. It can be incorporated into every learning environment as a teacher desk, workspace for students, or an extra work surface for the classroom. When not in use the desktop can easily be flipped to the vertical position, allowing the desks to nest together to help save space in the classroom.
