Where Privacy Meets Collaboration

Turn your open workspace into a creative collaboration zone with Ghent's Floor Partition. Modular and easily configurable, choose from one of the 2.5 million combinations to create a "third space" that functions the way you need it to without creating permanent walls. Combine the lightweight, but sturdy, aluminum frame with various surface panel options to create a unique collaboration unit that also helps define spaces.

Configurable

Line up multiple units to create new spaces as well as easily change and rearrange surface panels without completely disassembling the entire unit.

Variety

With 2.5 million combinations, combine the lightweight, but sturdy, frame with 7 surface option panels to create a unique unit for your space.

Adaptable

Lightweight partition that can be easily moved and create angles with our Flex Connect system to create temporary walls and dividers.

Collaborative

Mix and match partitions to create a "third space" that functions the way you need it to without creating permanent walls.
