Open Access vs. Visual Calm

Optional door kits let educators decide whether to keep materials visible for easy access or concealed to reduce visual clutter. Doors are designed to open quietly and can be added to any configuration, supporting both open and secure storage needs.

Optional Seat Pad for 18"h Units

A simple add-on for 18"h units that adds comfort and flexibility. Use it as a bench cushion—or move it to the floor to create a soft, supportive space when a student needs a break, a reset, or a moment to feel better.

Trays

Choose from 3", 6" or 12" trays to keep your space organized.
